O Shammom

My little Pettie Pie,
I'm so happy to have you and Anna as
my friends. You two mean so much to me. I
really love you both. We had some really great
times with you - I'll never forget them - and I hope
we have billions more! I really wish you all
the luck and happiness in your senior year
cause that's the one you'll remember the most!
Don't let Groove forget me.

Amma Dear Edith 82" Rules Good luck in 83. Luv You &
Sr. Rules! Hi Sis - Well I finally made it! Yea! I can't
believe it myself. I know we haven't been to close and
still aren't as much as we could be. But that's
because we're both going through the stage of wanting
our privacy and own room. You got to admit we
really don't have much space to share which makes
it even harder. I hope you have an excellent Sr. yr.
So that way you won't mind it as much. Hopefully
the future awaits happiness for both of us. I feel like
I need something, I'm real jazzed about Graduating
It's just things could be better w/ my love life. Oh well
It's been fun double dating (the times I haven't flaked out)
Sorry - I have to straighten my shit out again (all over)
Wish me luck - love Always - your sis Anna

well! we're known
 each other for a long time now, and
 you are a special friend like we are always
 Kevin and I need someone to talk to, and
 I really appreciate it. If you ever need someone to
 talk to, you know that I will always be there for
 you. We better have you work a good summer, or else!
 And you best have a good summer, or else!
 we're gonna be '86 seniors and then out to
 college. I hope you could go to the beach and
 have a better summer. Well it has been a long
 year and I am so glad keep in touch!
 to "You better THANK FOR BEING A FRIEND."
 maybe during the summer we could go to the beach and
 well next year we go! I hope you had a good year

TENNIS

The girls tennis team was quite successful this year placing 2nd in league behind L.Q. in both Varsity and J.V.

This was the first time in 5 years that any tennis team from C.G. has gone to CIF. We lost to a tough Walnut team the first round, however

Miss Dembecki and her assistant Dave Smith were very pleased to work with such a dedicated team and they both have high hopes for next year

The Lady Argonaut Basketball Team began the season winning only 4 out of their first 15 games. Under new Head Coach Sam Lum, who took over the team in mid-January, the Lady Argos stormed back to win 5 out of the last 6 games. The team finished 3rd in the league and earned a C.I.F. berth. Through outstanding individual and team efforts, and a love for one another the Argos made a stirring comeback.

One of the most important facts that separates this year's Field Hockey Team from other year's is that they have the drive to win. They go out of their way to reach their goals. This how they have reached the rank of number 2 in C.I.F. Another goal that they have reached this year is beating University in the second round

There are no individualists on this team, they play as one. NO player tries to be hero. We all pull together as one, and win as one

GG 2	Azusa	1
GG 3	Edison	2
GG 3	Newport Harbor	2

The Westminster game was our only home game. We started off slow, by getting behind 1-0. We tied it up on a penalty stroke and came right back with another goal to beat them 2-1. Our 2nd game was at Azusa, they were a fast team, but we beat them with our stick to stick passing. We were tied 1-1 going into overtime. We put our heads together and rallied to score the winning goal. Edison was, by far, our toughest game. We were confident and determined. We double-marked their best scorer and kept her scoreless until stroke-offs. We beat them 3-2 in the strokes. Edison was the #1 ranked team in C.I.F. up until that time. The finals were held on February 27, 1982. We came up against Newport Harbor. Our teams were evenly matched. We knew that it was now or never. The game stayed at 0-0, with both teams exchanging shots at each other's goals. The game went into a 10 minute overtime and still there was no score. There was so much electricity on the field that you could feel it. After the ten minute overtime, we went into Stroke-Offs which ended up with Garden Grove 3, Newport Harbor 2. It was an exhilarating feeling. There is no feeling like it in the world. Tears of joy were everywhere. The total realization that we were the 1982 C.I.F. Champions in Field Hockey hasn't hit me yet.

The 1981-1982 Girl's Track Team is a very young one, about 80% underclassmen. Potentially we have an excellent team. Our solid experienced performers are; Penny Green in the hurdles, Melanie Hripko in the field events, Elizabeth Acosta in middle distance running, and Melanie Thomas in long distance running.

At this time the coaching staff is hopeful that with the proper teaching of techniques and hard work on the part of the players that the Girl's Track Team will prove to be a tough competitor.

Karen Schwenk will provide much of the pitching for the Argos, While being backed-up by a strong defense and a balanced offense This year's team took 2nd Place in the Artesia Tournament losing only to Kennedy High School in the finals. Enthusiasm, desire, talent and experience should fair to be a winning combination for this year's team!

Will be sent
a STRAKER
for 1890

Today our campus, like the good ship Argo,
Sets sail upon a vast pursuit each year
The crew gathered from far and near go
On a quest from which no one should veer.

the left
Dime

The modern Jason fights no fiery dragon
Or sails the ocean in a galley ship;
He sights a star on which to hitch his wagon
And buckles down for rigors of the trip.

The journey's long, the sailing's sometimes rough
And there are those who will drop along the way;
True Argonauts however remain tough
They keep going come what may.

Yet Jason's task our own does parallel
We all attempt to reach our Golden Fleece
The story that this yearbook strives to tell
Compares our students to the heroes from Greece

As we close our books, the school year is over for you;
We, the yearbook staff, hope you've enjoyed the story of 1982.

"If you put the number here it is 6367
 If you give it out it is 1.07"

I hope you have
 good summer and
 we should go skiing
 next year I'll see
 back and see you
 guys. love it

 just ...
 a while ...
 every day. ...

 we have lots of things in common. ... at the same time.
 we both like going to the beach. just ...

 what I had expected but ...

I am so glad that we have become
 such good friends. You are a great person

 have a great summer, and I wish you

 DEAR, EDITH,
 HOPE YOU HAVE FUN

 NEXT YEAR YOU BET
 COME TO THE RIVER
 ON THE 4th of July

 BRING KEVIN??
 JUST KIDDING
 STUART!!!

The first thing I noticed
 when I stepped out of the car
 was the smell of the sea.
 It was a salty, fresh
 scent that I had never
 experienced before. The
 sun was shining brightly
 on the water, creating a
 shimmering effect. I
 took a deep breath and
 felt a sense of peace.
 The waves were crashing
 against the shore, and
 the sound was so soothing.
 I walked along the beach,
 feeling the sand under my
 feet. The water was so
 clear, and I could see
 the bottom of the sea.
 It was a beautiful sight.
 I had heard that the
 water was good, but I
 didn't realize how good it
 was. I had heard that the
 sun was hot, but I
 didn't realize how hot it
 was. I had heard that the
 beach was crowded, but I
 didn't realize how crowded
 it was. I had heard that
 the food was bad, but I
 didn't realize how good it
 was. I had heard that the
 people were rude, but I
 didn't realize how friendly
 they were. I had heard that
 the weather was bad, but I
 didn't realize how good it
 was. I had heard that the
 place was boring, but I
 didn't realize how exciting
 it was. I had heard that
 the prices were high, but I
 didn't realize how reasonable
 they were. I had heard that
 the service was poor, but I
 didn't realize how good it
 was. I had heard that the
 food was bad, but I didn't
 realize how good it was. I
 had heard that the people
 were rude, but I didn't
 realize how friendly they
 were. I had heard that the
 weather was bad, but I
 didn't realize how good it
 was. I had heard that the
 place was boring, but I
